

## **Primary Physical Education and Sport Premium** **Government Funding – Summer 2018**

### **How have we spent the funding?**

The £11445 of Government Sport Premium Funding in 2017-18 has been spent on a wide range of opportunities in five key areas

- To engage all pupils in physical activity
- To allow children to experience a broad range of sports and activities
- To increase the participation in competitive sport
- To raise the profile of PE and school sport across school
- To increase the knowledge, confidence and skills of all staff teaching PE and school sport

The two largest amounts of money have been allocated to the Forge partnership and to the contribution of the MUGA. As a school, we have again bought into the Forge School Sport Partnership (Forge SSP) Elite Membership which has enabled us to offer a wide range of activities to our pupils, staff and community members and to strengthen the relationship we have with Handsworth Grange.

By allocating a part of the money to the contribution of the MUGA we are ensuring a sustainable use for the sports premium by making adapting the school grounds to ensure the improvements made now will benefit pupils joining the school in future years.

### **CPD**

Through the use of specialist coaches, teachers in years 3, 4, 5 and 6 have upskilled their cricket knowledge.

Every teacher from year 1 to 6 has worked with the specialist coaches from Sheffield United Community Foundation planning and delivering a range of sports across a half term.

PE coordinator attended a PE conference and networking meeting which generated contacts and opportunities for Ballifield children.

All newly qualified teachers and one of our HLTAs went on NQT CPD for teaching the basics of PE.

HLTAs upskilled in fundamental PE skills and movement. One HLTA is booked on an invasion games CPD day for July.

All teachers have had the chance to use Amavan planning system to develop their teaching skills of fundamental basic skills and planning PE across the curriculum. The website has helped to maximise active PE lessons to develop and progress skills.

Addition to this, Lunch time supervisors and TAs have been trained to lead playground leaders successfully.

## **Coaching**

The funding has significantly increased the participation of children in curriculum time lessons and after school clubs run by specialist sports coaches.

Every teacher from year 1 to 6 has worked with the specialist coaches from Sheffield United Community Foundation planning and delivering a range of sports across a half term.

Sheffield United Community Foundation have run after school clubs for years 1 to 6.

All teachers have had the chance to use Amavan planning system to develop their teaching skills of fundamental basic skills and planning PE across the curriculum. The website has helped to maximise active PE lessons to develop and progress skills.

Through the use of specialist coaches, teachers in years 3, 4, 5 and 6 have upskilled their cricket knowledge.

Specialist coaches from Sheffield United's Community Foundation have also taken full class maths lessons in both Year 4 classes linking the children's love of football with statistic work and PSHE lessons in Year 5 linked to the values of sport including teamwork, cooperation, determination and perseverance.

Due to the work with Sheffield United, one class from Year 4 were given the chance to take part in a PSHE trip to Bramall Lane which included a referee workshop, teamwork and communication games and a ground tour. This was also a chance to engage boys in reading as they met children's author Dan Freedman and were featured in the Sheffield Star

## **Competitions and Festivals**

- Have planned our KS2 Sainsbury School Games Sports Day to take place on the morning of Monday 23rd July 2018
- Have planned our KS1 Sainsbury School Games Sports Day to take place on the afternoon of Monday 23rd July 2018
- Have planned a whole school cross curricular week based on the Winter Olympics.
- Whole school cross curricular links based on Sport Relief
- Have planned whole school cross curricular links based on the football World Cup
- Have planned whole school sporting activities to take place within the week of National Sports / Healthy schools week commencing from 25th June 2018.

- October - Y2 Mini Olympics trip, KS2 Girls football tournament at SUFC – (met ladies captain), UKS2 Girls football tournament trip, Y5 Basketball tournament trip
- November - UKS2 Sportshall Athletics trip, LKS2 SUFC football tournament (met first team players), Year 2 athletics trip, KS2 cross country – Graves Park, Year 4 Handball festival trip.
- December - Cross country – Longley Hall
- January - Year 1 sportshall athletics trip, UKS2 Football tournament at SUFC, KS2 Cross country at Longley Park, Y4 Basketball trip.
- February - Gymnastics competition trip, Cross Country at Brunswick, UKS2 Handball trip festival
- March - Y4 Handball tournament trip,
- April - Y3 multi skills trip,
- May - UKS2 orienteering festival trip, UKS2 orienteering city finals trip,
- June - LKS2 Cricket tournament, UKS2 SUFC football tournament
- July - UKS2 orienteering regional finals trip

## **Equipment**

We had an already well stocked PE cupboard but have updated equipment where needed. This has enhanced the quality of PE lessons and increased skills and enthusiasm of children and staff. We have purchased a range of equipment to benefit the whole school including:

- Replenished stock of soft foam balls and tennis balls
- Perforated balls
- Skipping ropes
- Whistles
- Jump bands
- Travel costs to attend competitions (£510)
- Travel to Sheffield United ran competitions FREE

Competition kits have also been purchased for LKS2 and UKS2 to use at competitions and festivals when representing the school. These have helped create a sense of unity, teamwork and pride in our students. These are in addition to the Premier League Primary Stars kits which were awarded to us.

An action going forward is to replenish our sports equipment for the whole school and clear out old equipment .

## **Additional benefits**

**In addition to the above we plan to, or already have:**

- Increased the profile of PE and school sport through PE wall in the dining hall
- Increased the profile of PE and school sport through PE specific newsletters to parents

- Attended family of school update meetings to access new opportunities and plan ahead
- Completed a school audit of PE and School Sport
- Taken part in the Active Travel Challenge
- Year 4 used the Virtual Velodrome as a cross curricular link to maths – engaged children in an active way
- Have had a Sheffield United ladies coach deliver an assembly promoting girl's football to increase participation for girls in sport.
- Have trained 20 Y5 pupils in the nationally accredited SLUK Playmakers Award
- Provide local sport club contact details for pupils when necessary
- Will apply for the Sainsbury School Games Kitemark (Silver last year, confident of Silver award again).
- Will apply for KS1 sport award (not achieved last year)
- We include Paralympics sports within our PE lessons and these are an important part of our Healthy Schools Day
- Transport provided to attend competitions.

### **Impact**

The Sport Premium Funding has given the opportunity to all pupils to be engaged in physical activity. It has increased the experiences given to Ballifield Primary School children to include sports they have never taken part in before such as Orienteering, handball and cross Country. There has been a significant increase in the participation of children in competitive school sport which is clear on the Ballifield PE and school sport display in the dining room, every child from Y1 – Y6 has had the opportunity to represent the school in competitive sport. Through targeted CPD for key staff, members of staff are now more confident and skilled in teaching specific PE lessons due to the training they have received. Extra after school clubs have increased interest and participation of all children and children are gaining wider experiences. We look forward to further opportunities to develop our PE curriculum.

### **Future Plans**

- Increase opportunities for SEND children
- Increase opportunities for Girls only events (including through links created this year with Wildcats)
- Increase use of physical activity across the curriculum
- Implement a whole school approach to active breaktimes / mile a day
- Continue to provide after school clubs run by specialist sports coaches and Ballifield staff
- Continue close work with Handsworth Grange
- Continue CPD allocation for staff and upskilling teachers
- Equipment and resource audit / clear out of PE cupboard
- Enter further competitions
- Continue links with local sports teams
- Create new links with sports teams e.g. Sheffield Eagles Rugby League
- Specific training for competitions (Gymnastics)

- Exposure to new sports (rugby league, fencing, archery etc...)
- Unfortunately the work with Sheffield United and the Premier League will not continue as 2017-18 was a trial year. Although a tremendous success, this will not be continuing in 2018-19 as it would be a cost of £3534 for the same package. Possibility of parent funded extra curricular clubs TBC.

### **Overall costings**

**Total funding received = 11.445.00**

- Contribution to the MUGA: £4989
- Forge / HGCSC Subscription: £4,500 (includes coaches/competitions etc)
- Equipment: £985.91
- Travel: £510
- Supply cover: £310
- Coaching: £150.00
- Sheffield Federation of School Sport Subscription: £60
- Sheffield United Community Foundation: FREE
