

Under The Sea

Curriculum Newsletter

Commotion in the Ocean

We will be discussing and identify different types of fish and their habitats. In our creative area we will be making jigging jellyfish and investigating the aquarium.

The Rainbow Fish

While learning about this story, pupils will learn the importance of sharing and being a good friend.

Sharks, Whales and Dolphins

During this week we will read the story the Snail and the Whale. We will discuss sharks, whales and dolphins, comparing and contrasting them.

Nugget and Fang

While learning about this story, pupils learn how appearances can be deceptive Learn about teeth and the importance of taking care of them.

The Lonely Lobster

Based on the story, pupils learn that we can be friends with others who may not look like us. Discuss the importance of friendship and how we can help everyone feel included.

Crazy Crustaceans!

Understand the term 'crustacean'
Sort images and read poems about crustaceans.
