

Picture Our Planet  
Spring 2 2020

## Theme Overview

“Picture Our Planet” is a thematic unit, with a key focus on geography. Learning is centered around three contrasting localities:- Brazil, Scotland and Fiji, and includes key facts, physical and human features, traditions and customs and an insight into how each country is tackling particular conservation issues.

## Maths

Area, Fractions Decimals

## English

Folklore - ‘Nessie’ by Richard Brassey  
Persuasive Writing - a letter to persuade parents to move to Scotland, Fiji or Brazil
