Ballifield (F1 – Y6) uses White Rose Maths resources and NCTEM materials to support

Year Group	Autumn		Spring		Summer	
F1	- Develop fast recognition of up to 3 objects, without having to count them individually ('subitising'). Recite numbers past 5. - Say one number for each item in order: 1, 2, 3, 4, 5. Know that the last number reached when counting a small set of objects tells you how many there are in total ('cardinal principle'). - Show 'finger numbers' up to 5.		- Link numerals and amounts: for example, showing the right number of objects to match the numeral, up to 5. - Use informal language like 'pointy', 'spotty', 'blobs', etc. Extend and create ABAB patterns – stick, leaf, stick, leaf. - Notice and correct an error in a repeating pattern. Begin to describe a sequence of events, real or fictional, using words such as 'first', 'then...' - Talk about and identify the patterns around them. For example: stripes on clothes, designs on rugs and wallpaper.		- Know that the last number reached when counting a small set of objects tells you how many there are in total ('cardinal principle'). - Show 'finger numbers' up to 5. - Link numerals and amounts: for example, showing the right number of objects to match the numeral, up to 5. - Describe a familiar route. - Notice and correct an error in a repeating pattern. - Begin to describe a sequence of events, real or fictional, using words such as 'first', 'then...'
