

Primary Physical Education and Sport Premium Report

Ballifield Primary – Summer 2022

What is the Physical Education and Sport Premium funding?

Introduced after the 2012 Olympics, the Government funded PE and sport premium is used to improve the quality and range of sport in schools. Schools decide how best to use this funding to improve the quality and breadth of PE and sport provision.

What were the priorities for 2021-22?

After a second year of restrictions within schools, the priority for 2021-22 was to spend the sport premium on returning children to regular physical activity especially face to face competitions, trips and experiences they had missed out on due to two years disrupted by the pandemic. As a school, we were still seeing the effects of the restrictions. Many of the Ballifield children were still feeling lethargic, less fit and found working with others a challenge. This was most evident in our older year groups especially in girls. This was on top of our locality already being highlighted as a cause of concern for levels of obesity by the PESSPA Alliance on data obtained in 2020. Overweight and obesity prevalence (including severe obesity) was 34.3% in year 6 compared to reception 22.6%. Children living with obesity are more likely to be obese in adulthood and thus increase the risk of obesity for their own children later in life. Due to this, we prioritised spending the sport premium on enjoyment, fitness, participation, movement and teamwork. This prioritising was essential because early positive experiences of physical activity helps to create a lifelong commitment to physical and mental health. We wanted to use the funding to make all children more active across school.

All children at Ballifield are involved in at least two lessons a week of PE during curriculum time, which includes a variety of carefully mapped out activities designed to challenge and inspire our children. There is also physical activity throughout the school day including active break times, active lessons and the opportunity for enriching extra-curricular PE activities including after school clubs and representing Ballifield in inter school competitions.

How have we spent the funding?

The **£19,620** of Government Sport Premium Funding in 2021-22 (plus the £5,657 carried from the previous year due to Covid) has been spent on a wide range of opportunities in five key areas

- **1. To engage all pupils in physical activity**
- **2. To allow children to experience a broad range of sports and activities**
- **3. To increase the participation in competitive sport**
- **4. To raise the profile of PE and school sport across school**
- **5. To increase the knowledge, confidence and skills of all staff teaching PE and school sport**

The main spends have been coaching, the ActivAll active wall, Forge partnership, equipment and travel.

Coaching

The largest proportion of the funding this year (£9075.15) has been the spent on coaches for both extra curricular clubs and curriculum support. This has included

Year 2

Multi sports club
Yoga Club

Year 3

Girls only football club
Girls only basketball club
Football club
Active dinnertime club

Year 4

Cycling club
Yoga club
Active dinnertime club

Year 5

Multi sports club
Cycling club
Girls only basketball club
Active dinnertime club

Year 6

Multi sports club
Cycling club
Girls only basketball club
Yoga
Active dinnertime club

ActivAll

Another significant proportion of the funding (£6,300) was spent on the installation of the ActivAll agility wall in the KS2 playground. This has allowed for active break times, opportunities for movement breaks for children with SEND or behavioural needs, intra school competitions for all year groups and the ability to compete with other schools virtually. Ballifield were crowned national champions in the inaugural ActivAll leader board in Spring 2022.

Forge Subscription

Like in previous years, a large amount of the money has been allocated to the Forge School Sport partnership (£4500). This again, has been key in being able to offer the Ballifield children the best possible opportunities through PE, school sport and physical activity. Ballifield's Elite Membership has enabled us to offer a wide range of activities to our pupils and staff. Forge have provided competitions for children, support in the curriculum, extra curricular clubs,

CPD and updates for staff. The continued partnership, which has grown stronger this year, has also allowed the PE Co-ordinator to seek advice, support and guidance from specialist teachers. Due to contacts obtained by working with the Forge SSP, Ballifield children have been given additional sporting opportunities by outside agencies including cycling, boccia, dance, basketball, yoga, karate and American football. In addition to this, the staff from Forge SSP have supported the school with support implementing playground sport leaders for key stage 2 classes which has involved fully up sessions to ensure the KS2 children are confident supporting active playtimes for KS2.

Equipment

A fully comprehensive audit of the PE cupboards was undertaken to replenish PE resources and sort equipment. New equipment has been ordered throughout the year (£3046.85) to ensure that children remain active in PE lessons and throughout the school day. This has included

- Replenishing stock of basketballs, footballs, rugby balls
- New gymnastic benches
- Tennis balls
- Hockey balls
- Foam balls
- Hoops
- Beanbags

Additionally, the PE coordinator has taken the opportunity to sign up for lots of free equipment and resources where possible this has included resource packs from Sports Direct, NFL American Football and Pokemon Futsal.

Travel costs

Another proportion of the funding has been transport to competitions and festivals (£2725). This has allowed our children opportunities to travel to different sporting venues including The EIS, Olympic Legacy Park, Ponds Forge and St George's Park, Graves. Transport to competitions has allowed our children the chance to compete against other schools in competitive school sport and has allowed for a broad range of different sporting opportunities for all of our children.

CPD

A clear, progressive and detailed scheme of work for PE was renewed from GetSet4PE (£550). This has allowed detailed planning, a comprehensive view of PE as a subject across school, resources, assessment tools and online CPD for staff. The planning, where necessary, has then been adapted and modified to best suit the needs of the Ballifield children. Staff have welcomed this renewal as it supports them in delivery and saves them key planning time. This was evident in the PE staff questionnaire with questions regarding the GetSet4PE scheme of work and CPD which received 100% positive feedback.

PE coordinator (D Cassidy) attended a virtual PE conference and networking meeting which generated contacts and opportunities for Ballifield children. He also attended online sessions as part of the localities PESSPA Alliance which allowed him to share good practice across the locality and discuss challenges which other local schools are having. School sports coach / PPA cover (R Gregory) also took part in online courses for dodgeball and basketball and face to face training for American football and football. Through the American football training, Ballifield also received free equipment and resources. Online CPD opportunities have also been sent out to all teaching staff including boccia, handball, football, athletics and tennis.

Competitions and Festivals

During the summer term 2021 children across school took part in the South Yorkshire Schools Games Day, individual year group sports days and targeted SEND pupils competed in a SEND PE festival including Paralympic sports, fundamental movement and even a sensory dance involving glow sticks. A highlight from Summer 2021 was Ballifield's incredible commitment to the citywide Beat The Streets Competition. Ballifield came 1st in the locality for both number of points and average points.

In Autumn 2021, there was whole school enriching experiences through PE including karate sessions, MoveMore to Music Day and the Hit The Ground Running Challenge where Ballifield were the only school in South Yorkshire to be recognised with a trophy for their commitment to the challenge. Most importantly, Autumn 2021 brought a welcomed return of face to face competitions and experiences. This included tag rugby, sportshall athletics and cross country events. Year 3 went on a Sporting Aspirations trip to the EIS taking part in ice skating, street football and dance. They also got the opportunity to have a track session with Great Britain Olympian Dwain Chambers.

In Spring 2022, highlights included the UKS2 climbing competition, the swimming festival at Ponds Forge and a Women's Euros festival where we had a visit from Sheffield United Women's player Ellie Wilson who inspired and motivated the children.

During Summer 2022, Ballifield took part in orienteering, football, Commonwealth Games festivals and a cycling festival where Ballifield came first against local schools qualifying for the city finals.

The impact of being able to take part in face to face competitions and festivals again has been that the children have been given the opportunity to take part in competitive school sport, experience a wide range of new sports and make healthy choices.

We have continued to raise the profile of PE, school sport and physical activity across the school. We have also continued in our quest to encourage less active girls to take part in sport. We have done this by proudly displaying our girls in sport pledge, promoting positive female role models and providing opportunities for girls to be active. This has been evident with an increase of girls taking part in extra curricular activities and representing the school at inter school competitions.

June 2021

KS2 Virtual Pokemon Futsal Challenge
KS2 Virtual Hockey Competition
Whole school South Yorkshire Schools Games Day

July 2021

SEND PE Festival
Whole school Beat The Street Challenge (Ballifield came 1st in our locality)
Whole school Sports Days

September 2021

Whole school karate sessions
Whole school Move More to Music Day (Ballifield mentioned on BBC Look North)
Whole school Hit The Ground Running Challenge

October 2021

Year 5 Teambuilding Festival
KS2 Cross Country Concord Park
UKS2 Tag Rugby Tournament
UKS2 Sportshall Athletics
Year 3 Sporting Aspirations Day (Athletics, dance, street football, ice skating)

November 2021

Whole school Skipathon (Ballifield mentioned on BBC Radio Sheffield)
LKS2 Boys Football Competition
KS2 Cross Country Bradfield Secondary School
LKS2 Basketball Competition
Whole school Children in Need – PE with Joe workouts

December 2021

UKS2 Sportshall Athletics (Sheffield City Finals)
Whole school Santa Dash running festival
Year 5 Basketball tournament
UKS2 Girls Futsal Competition

January 2022

UKS2 Girls Netball Competition
National ActivAll Competition (Ballifield national champions)
KS2 Cross Country Norfolk Park
KS2 Cross Country Longley Park

February 2022

LKS2 Football Festival – Waverley Cup
Whole school football fun to music day
Year 1 Multisports Festival
Year 3 Girls Football Festival and SUFC player visit
UKS2 Climbing Competition
LKS2 Pokemon Futsal Competition
UKS2 Swimming Festival
KS2 Cross Country Graves Park

March 2022

Whole school virtual Boccia Competition (Ballifield came 2nd nationally)
Year 2 Sportshall Athletics
KS2 Cross Country Brunswick Primary
Whole school South Yorkshire Schools Games Week
LKS2 Handball Competition
Year 1 Tennis Festival

April 2022

LKS2 Girls Football Competition

Year 5 Cycling Competition

Year 1, 3, 4 – Commonwealth Games Festivals

May 2022

Year 3 Orienteering Festival

Planned for Summer 2 2022

There are also many competitions, festivals and sporting enrichment opportunities which were on-going / planned for the rest of the Summer term. These include

- Year 6 Basketball Competition (Sheffield Sharks)
- Sainsbury's School Games Sports Day
- Major League Baseball competition
- NFL American football competition
- Whole school Sports Days
- Sheffield United Kinder Joy of Movement Festival

Additional benefits

In addition to the above, we have also worked closely with the Sheffield United community foundation coaches this year. They have worked with Year 5 children teaching them the importance of a healthy lifestyle. This has included PSHE lessons inside the classroom and physical activity sessions outside. A similar cross curricular scheme has also been successful in Year 6 where the Sheffield Sharks Basketball coaches have delivered the RESPECT programme.

During disability awareness week, we used the sport premium money for a visit from 2020 Tokyo Paralympian Jack Hunter-Spivey. Children across school were given an inspiring assembly, played table tennis with Jack and posed for photographs with him and his Tokyo Paralympic medal.

In May 2022 we were successful in our Sainsbury's School Games Mark application gaining a Gold award in recognition of our commitment to PE, school sport and physical activity.

Impact

The PE sport premium funding has enabled our children to lead an active lifestyle and has allowed our children to have positive early experiences of PE and school sport. The use of the funding has been even more important than ever as it has contributed to getting back to normal after a disrupted two years. Due to the funding, children at Ballifield are happier, healthier, physically active and enjoy their enriching opportunities through PE.

The funding has also helped increase confidence of non-specialist staff teaching PE and has increased subject knowledge and understanding. There has been more opportunities than ever before for participation of children in competitive school sport and chances for them to try new and engaging sports. Every child from Y1 to Y6 has had the opportunity to represent their class in intra school competitions and have represented Ballifield in inter school competitions.

Future Plans

The future plans for the funding include

- Continuing the good work we are doing. Continue having PE at the heart of the school and continuing to raise the profile.
- Continue the up keep of equipment and PE cupboard
- Continue a whole school approach to active break times
- Enquire about new active playground markings
- Purchase new equipment for active playtimes
- Further use of coaches for CPD and specialised training.
- Enter even more children to take part in competitions and festivals
- To continue and extend the use of lunchtime staff training and additional sports coaches to increase physical activity at dinnertime and help to promote long standing healthy lifestyles for all children.
- Funding to be used to cover PE coordinator to be released for subject leader work.
- Continue student voice
- Engage parents in before school and after school physical activity
- Continue to expose children to a wide range of sports
- Continue to target and engage those children who need PE / school sport interventions (Change4Life club)
- Continue to use PE / School sport to promote positive behaviour across school
- Continue to offer opportunities for targeted groups including PP children, SEND children, girls and those highlighted as the least active
- Embed physical activity within all lessons across the curriculum
- Continue to provide after school clubs run by specialist sports coaches and Ballifield staff
- Continue and grow the connection with Handsworth Grange
- Continue CPD allocation for staff and upskilling teachers
- Continue links with local sports teams
- Exposure to new sports
-

Overall Costings Summary

Balance brought forward due to Covid: £5,657

2021-22 Funding Received: £19,620

Total = £25,277

Spent In year: £25,977

- Coaching £9075.15
- ActivAll Active Wall £6300
- Forge / HGCSC Subscription £4500.00
- Equipment: £3046.85
- Travel £2725
- GetSet4PE Scheme of work £550.00
- Supply cover £175

Staff Voice

The PE Coordinator conducted a staff voice questionnaire during Spring 2022. This was done via face to face meetings and an online questionnaire. The responses were overwhelmingly positive. Staff are proud of the work Ballifield does in terms of PE, school sport and physical activity and staff appreciate the opportunities that our children are given through sport.

“As an ECT, the PE planning is to follow and has helped me with my subject knowledge.”
Mr McCusker, Y6

“The Y3s have had lots of exciting opportunities this year, they have loved their PE trips especially the ice skating and orienteering,”
Mr Robb, Y3

“Children are active at breaks and enjoy PE,”
Mrs Jenkinson, Y4

“There has been lots of opportunities for children of all ages to take part in a wide range of sporting activities,”
Mrs Evenden, Y1

“I wish I had all these sporting experiences at school when I was a child,”
Mr Sanderson, Y4

“The PE scheme of work is easy to follow, it allows us to track a progression of skills and build on prior learning,”
Ms Diskin, Y5

Student Voice

To gain an understanding of the pupil's views on PE and school sport, the PE coordinator undertook student voice questionnaires and face to face interviews. These were conducted across school to find the views and opinions of all ages. The children were extremely positive when talking about PE and school sport. The children enjoy going on trips, competing against other schools and trying new sports. The KS2 children enjoy keeping active at break and having a range of activities to do.

“My favourite thing is that we get to play games and learn new sports,”
Raeghan Y5D

“When I do PE it makes me happy,”
Shayan Y5D

“I like going on trips and trying new sports. I really liked playing futsal.”
Ruby Y6Y

“I would improve PE by having more equipment so we don't need to share in lessons,”
Ella Y5C

"Taking part in cross country makes me happy and proud,"
Owen Y3C

"Competing in sports against other schools helps us to work on our teamwork and communication skills,"
Caden Y6Y

"I like going on sporty trips because it's fun and we do exciting this,"
Joshua Y5D

"I didn't like PE but now I do and I want to do all the after school clubs I can,"
Inaaya Y3C
